Instructions for Patients:

Please call for an appointment and bring the following with you:

- A complete list of all medications you are currently taking
- Copy of your x-rays (if you have them)
- Insurance card and this referral slip

Important for patients anticipating I.V. anesthesia, please:

- Do not eat or drink **ANYTHING** for at least 8 hours before the scheduled procedure, otherwise I.V. anesthesia will have to be cancelled
- You must be accompanied by a responsible adult to escort you home
- Wear loose fitting clothing, preferably a short sleeve shirt
- Remove all jewelry, makeup and contact lenses before the procedure
- Remove nail polish as this can interfere with vital signs monitoring during the procedure
- Refrain from alcohol and smoking prior to surgery
